Who we are

We are a team of enthusiastic pool suppliers and installers providing the complete home pool package. We help our clients craft and capture their vision for what a complete home pool experience means to them. We are passionate creatives that take complete pride in our workmanship.

OUR STORY

Statement Pools was born out of a realisation that clients wanted to develop a focal point for their home that reflected their values and lifestyle, without the stress of organising every detail and activity.

OUR MISSION

To provide the client with that focal point while capturing the essence and ambience of their vision. Providing an exceptional service experience that exceeds expectations.

OUR VISION

To be recognised by our clients and peers as the pool installers and suppliers of choice. We value Integrity and transparency above all.

OUR PROMISE

Is our commitment to quality.

WHAT WE BELIEVE

If you are considering the purchase of an in-ground fibreglass swimming pool, Statement Pools is the fibreglass pool company you can trust.

At Statement Pools, we offer an exceptional range of high quality, affordable swimming pools and an outstanding service not to be rivalled within New Zealand.

We understand the process of installing and maintaining a pool can be confusing and that is why we have knowledgeable pool experts ready to answer your questions and concerns. We really take the confusion out and make it easy.

Statement Pools believes that a swimming pool should be affordable, easy to maintain and installed within a few weeks, not months. There are many designs and pool layouts to choose from so we welcome you to our company and encourage you to learn about the work we proudly do.

It's time to make your home your own private getaway, where you can gather with family and friends to celebrate life and build memories... just add water.

We aim to make the installation of your new Statement fibreglass swimming pool as quick and painless as possible. Our pools are well constructed & engineered and we only employ quality tradespeople. We pride ourselves on our reputation because we know you deserve the best.

Pool Construction

Six layers of specialised construction make Statement Pools a leader in fibreglass swimming pool manufacturing. Our quality assurance processes are a range of thorough testing to meet strict standards include testing for hardness, thickness and durability, amongst many more – and if it doesn't pass, it doesn't leave the factory.

1. Cosmetic layer

CHLORSHIELD gelcoat surpasses Australian Standard AS1838 by a factor of 10.

2. Protection layer

Vinyl ester resin with fibreglass membrane. Superior waterproof protection layer.

3. Structural layer

Isophthalic resin initial structural layer. Consistent cure. Extreme water resistance.

4. Extra strength structural layer

Isophthalic resin extra strength structural layer. Consistent cure. Extreme water resistance.

5. Reinforcement layer

Reinforced fibreglass mouldings to pool walls, edge beam and step areas for superior strength.

6. Protective layer

Final protective of terephthalic resin to prevent moisture ingress.

Chlorshield Gelcoat

The next generation of swimming pool surface gelcoat technology, CHLORSHIELD gelcoat by RF Composites delivers unparalleled durability and protection of your pool's cosmetic appeal, guarding against chlorine bleaching and oxidation of the pool surface.

CHLORSHIELD gelcoat surpasses Australian Standard AS1838 by a factor of 10, retaining 99.5% of its gloss after exposure to even the harshest chemical conditions.

CHLORSHIELD is built tough with advanced flexural strength and impact resistance to protect your pool against cracking.

CHLORSHIELD defends your pool, preserving its beauty, finish and sparkle while being offered in a wide range of vivid colours and highlights.

Our pools are manufactured to AS/NZS Standard 1838:1994 using materials approved by Lloyds of London

Landscape Design + Council Consent

If you are searching for your own personal design, our Landscape Architects are ready to help make your dream pool space a reality. We use the latest technologies available to enhance your lifestyle.

We understand that the design phase is the most important part of the project, as this is where we begin to truly understand our clients' vision.

Working collaboratively, we develop a design brief and working drawings, once the design is confirmed we lodge your plans with council and undertake all necessary arrangements to ensure your journey is as seamless and stress free as possible.
